

# TRINITAS CELLARS

S U N . S O I L . H U M A N I T Y

2011

## Father Mathew Cabernet Sauvignon

This Yountville based cabernet sauvignon showcases the beauty of what all valley floor fruit has in common, terroir driven aromatics and balance.

Right out of the gate aromas of sweet tobacco, plum, pepper and vintage leather envelope the nose. Upon the palate expect a harmonious display of blackberry and season blue fruits with a lingering finish of dark mocha and spice.

### **The Vineyard**

This is a very special wine and is Trinitas' first single vineyard Cabernet Sauvignon. The vineyard is owned by St. Joan of Ark church in Yountville, right in the heart of Napa. The vineyard, Fr. Mathew's Vineyard, was named after an influential pastor at the church. This is an amazing cabernet vineyard and produces one of our finest wines in flavor but definitely in spirit.

### **The Vintage**

The 2011 Vintage was challenging for vintners with rains coming at inconvenient times and a growing season that yielded one of the smallest crops in years. The grapes that did make it in 2011 are good but there is not much out there, so buy up the 2011 wines because they will go quick!
