## 2011 MYSTERIAMA RED WINE

67% MENDOCINO COUNTY | 33% CONTRA COSTA COUNTY

### Tech Info

Suggested Retail: \$28

Number of Cases: 2286

Alcohol: 13%

### Winemaking

This wine was aged in 100% American oak, once used from our chardonnay program. The different varietals were barrel aged separately to build individual complexities. Three months before bottling we take these varietals and determine the best blend for this vintage. This year the blend consists of 49% Carignane (Mendocino County), 19% Old Vine Petite Sirah (Contra Costa County), 18% Old Vine Zinfandel (Mendocino County), 7% Old Vine Mataro (Contra Costa County), and 7% Alicante Bouschet (Contra Costa County)

### Tasting Notes

Floral aromas of fresh violet and fruit notes of quince, cranberry apple, and cherry cola invigorate the senses and prepare the palate for flavors of bright red plum and raspberry liquor. Combined with silky tannins, and it's mouthwatering acidity, this old vine blend is sure to maintain it's reputation as a top selling wine under the Trinitas label.

### Vintage Notes

The 2011 vintage was challenging for vintners with rains coming at inconvenient times and a growing season that yielded one of the smallest crops in years. The grapes that did make it in 2011 are good, but there is not much out there so buy up the 2011 wines, because they will go quick!
